1. The 1 May Sovrompetrol factory is the largest factory in Floesti with about six thousand workers. It has the following sections: assembly, mechanics, iron works, steel foundry, iron foundry, smelting, ball bearings, tempering, maintenance, garage, warehouse, and a training school.
2. The factory makes pipelines and other metal equipment needed in the extraction of oil.
3. In the last two years the factory grounds have been enlarged and homes in the surrounding area have been expropriated by the factory. A dispensary and a large hall are presently under construction.
4. The following personnel are employed at this factory:
  - a. The director is a Soviet citizen named Kaciarov.
  - b. The Chief of Service is also a Soviet citizen. At one time a woman Soviet citizen named Naumkin was Chief of Service.
  - c. The chief engineer is a Soviet Bessarabian citizen Dumitru Rascov.
  - d. There is an engineer (Soviet citizen from Moscow) named Ponemarev.
5. The workers are paid 16 to 30 lei per hour. The director, Kaciarov, receives 60 to 70,000 lei per month.
6. Attached herewith is a sketch of the 1 May Sovrompetrol Factory in Floesti showing the various shops, offices, and warehouses.
